FREE INLAND PARKING

MOTORISTS will no longer face evening and Sunday parking charges in Bridport after the district council rubber-stamped an initiative to help the town's businesses.

The move is part of West Dorset District Council's two-year trial to encourage

trade by dropping charges on Sundays and between 7pm and 8am - except in car parks along the coastal strip from West Beington to Lyme Regis, including West Bay.

WDDC's Executive Committee succumbed to pressure from business groups to remove evening and Sunday parking charges in the area's market towns starting from November 1st.

The initiative was achieved following a two-year campaign by Dorchester Business Improvement District (BID) and Dorchester Chamber of Commerce.

Dorchester BID's Phil Gordon said when they

first held a BID ballot a lot of businesses had parking related concerns.

"I had a lot of concerned businesses coming to my attention who were struggling with evening trade because people were unhappy to pay for parking in evenings," said Mr Gordon.

"This initiative will encourage more people to use the facilities such as pubs, restaurants, cafes and hopefully, conversely, encourage businesses to possibly extend their hours into the evening. Some shops may decide to stay open maybe until 8pm to

get the evening trade enjoying the free parking.

"The trade on Sunday needs encouraging and more and more shops open on Sundays now, but obviously it's a big incentive to come to Dorchester if they don't have to pay to park there and again it's up to the businesses to make the best of the situation."

"There's been quite a lot of effort for quite some time and we are really, really delighted that the council are going to implement this, it was certainly a job made easier by the fact we had full support of the chamber of commerce."

The move will hit WDDC's coffers by £58,700 in the next year at a time when central government funding to councils is being cut. The overall budgeted income from car park fees for 2010/11 is £2,316,000.

The council introduced charges for overnight parking (7pm - 8am) in 2005 following a member scrutiny of parking charges.

Charges were: 30p in Yarn Barton, Beaminster, 40p in Bridport and 50p in Dorchester. Sunday charging had been in place for many years and charges are 20p for up to two hours and 30-50p all day.

BROUGHT up in Leamington Spa until she was 16, and having travelled to the farthest reaches of the planet, Penelope Frigon now calls Bridport home.

After studying European Business Studies with French and Spanish in Essex she lived in London for a while before leaving to travel and live in places including Malaysia, Cayman Islands, Mexico and Central America.

Having returned to the UK she completed a BA in French and Spanish, which she utilised after moving to Bridport when she gave part time private language tuition in between looking after her two children.

Then in 2006 she started running French and Spanish groups for adults in Beach and Barnicot and Olive Tree. After her Adult Education experience Penelope wanted to combine learning with food and drink in a relaxed atmosphere. This has culminated in her setting up Love Learning in Dorset offering a variety of 10-week courses for adults in Olive Tree and starting language courses in Phoenix Bakery Weymouth.

For more information on the course visit www.lovelearningindorset.com

■ YOU have a love of travelling, which was your favourite place to visit and why?

I loved them all in different ways as they all had a new perspective on life to offer. Perhaps I would choose Mexico for the relaxed and happy people that they are, the bright colours everywhere, and the fact that Mexican's speak a lot slower and clearer than the Spanish. One of my favourite memories is sitting on the pacific coast-watching whales swim on by.

■ HAVING lived and taught in Japan, in which ways are Japanese students different from English ones?

Japanese people are a lot shyer. They can read and write English perfectly but find it hard to have the confidence to string a sentence together. Having said that, their English counterparts can be hesitant sometimes too. It's important to feel relaxed and comfortable in order to let yourself open up, the glass of Rioja served in my evening Spanish classes certainly helps! After the coffee and pastries served half way through the daytime classes, it's obvious that the students become a lot more livelier and engaged.

■ AS an accomplished diver, what was the most amazing and what is the scariest thing you've seen underwater?

Belize and the Cayman Islands, where I met my hus-

evening, sold me. How could I resist? Having travelled for many years, I can say that Dorset's landscape is up there with the best.

■ AS a linguist and teacher, what benefits can someone gain from learning a new language?

Aside from the obvious benefits, learning a language has been proven to have many benefits that are great for all ages but particularly for those of a certain age, and that is keeping memory loss at bay.

■ WHAT was the last song you heard, book you read and television programme you watched?

The last song was probably by Biffy Clyro as my husband recently made a compilation CD for our five-year-old's birthday, he likes to play it really loud in the house. The last book was "Like Water for Chocolate" a present from my good friend Phillie and the last television programme was probably something with the dulcet tones of David Attenborough - the man is a legend.

■ WHICH three people from throughout history would you invite to a dinner party?

David Attenborough, a gentle and wise teacher. He'd keep you fascinated all night. Frida Kahlo the Mexican artist who had a difficult life, yet, her determination to overcome her challenges is inspiring. She mixed with an eclectic crowd who had some strong political and creative ideas, no sitting on the fence for her. And to round off maybe a few tunes with Nina Simone.

■ AS a mother of two young children who enjoy the outdoors, where would you recommend around Bridport to take a family walk?

We love Eype Beach for making mudslides and Waytown for a forest stomp. We are always looking for new forest adventures.

band, have amazing clear waters. like gin and tonic, but warm. You can see sea cows, mantas, sea horses, turtles, it's true paradise. On the other hand, I was a bit apprehensive when I did a shark dive north east of Australia, I jumped in to a swarm of sharks, probably 50 of them. I remember asking a friend to take a picture of my limbs before I went in case they didn't come back. I'm happy to say that they did.

■ WHAT brought you to Bridport and what are your favourite things about the town?

My parents retired down here and travelling along the coast road to visit them at the end of a balmy summer

Institute gets a lifeline

by Paul Crompton

A PIECE of Bridport's historic past has been given an 18 month lifeline to save it from developers, after the high court ruled in favour of allowing campaigners more time to save the building.

The Bridport Area Development Trust successfully pleaded to adjourn a decision which would have allowed the Literary and Scientific Institute building at 51 East Street to be sold on the open market.

The sale would mean the Grade II Listed building would no longer be eligible for capital funding from many of the major funding bodies.

BADT members argued a further 18 months would be essential in order to secure the £2million needed to restore the building through the making of necessary bids to those bodies.

The decision will allow either the current proposal, supported by the Bridport Museum Trust, to establish the building as a new Heritage and Study Centre based on Bridport's rope and net industries or for additional community proposals to move forward.

Efforts to find a use for the former public library, which closed in 1997, have been led by town councillor Charles Wild and local consultant Crystal Johnson, with the de-

velopment trust becoming a fully constituted and registered charity this year.

Councillor Wild said: "We are pleased with this outcome. This is a big challenge and the court decision leaves an enormous amount of work to be done. But the museum project has been gaining a lot of local support, and Crystal Johnson has put together an exceptional project proposal which includes a workable ten-year business plan. We feel it is right that the time should be allowed to give the proposal a chance of succeeding and bringing a much-loved and important building back into community use."

"Dorset County Council will be invited to appoint a representative to the project development group and we hope they will play a constructive role in trying to make this work."

Although DCC does not own the building, it is the trustee of the Bridport Literary and Scientific Institution that holds a 999-year lease granted in 1864 by Sir Howard Warburton Elphinstone, and is therefore respon-

sible for associated costs.

DDC had proposed a shorter adjournment of nine months, at the end of which the council would have been permitted to place the building on the open market.

The legal proceedings were required so they could clarify what their duties were in relation to the building.

DCC was authorised to investigate the market for a possible sale of the building, but not to place the building on the market or to dispose of it.

BADT have received a number of expressions of support, including English Heritage and West Dorset District Council, both of whom have interests in trying to secure a future for the building which preserves and protects its historic interest, as well as the community interest.

Bridport county councillor, Karl Wallace, attended the hearing and testified to the importance of the building to the Bridport community and to local support for the project.

Councillor Wallace said: "This is a well loved building and it is a chance to bring it back to its original cause. It needs 18 months to get the extra money. It's a wonderful charity and long term project I wholeheartedly back and support it."

Go ahead for Mountjoy

MOUNTJOY School is officially on its way to Beaminster after getting the green light from Dorset County Council.

The county council's planning committee gave plans for the new special school the thumbs up last week – despite voicing concerns over the building's design.

During the committee meeting, some members expressed concerns about the overall appearance of the new building but officers explained that, because Mountjoy will be in an Area of Outstanding Natural Beauty, the building had to meet certain criteria to sit well within the landscape.

Members heard that Mountjoy School, Beaminster Technology College, Beaminster Town Council, West Dorset District Council and local people had been consulted throughout the design process, and no negative comments on the building's appearance had been received in response to the planning application.

Dorset County Councillor Karl Wallace said: "It's one step closer and things are going in the right direction. I can understand people's concerns about the appearance but we are going into a time of austerity. We would love to spend a fortune on the building but we need to be realistic."

"It may look boring and bland from the outside but that's not important, what is important is what goes on inside."

"As long as the school serves its purpose then that's what matters, Mountjoy is a fantastic school and it will be there for many years to come."

As part of the plans, Beaminster Technology College will also benefit from improved sporting facilities – including a new synthetic pitch – and alterations to the existing premises.

These include new car parking facilities for Beaminster staff, accessed from Tunnel Road, which will reduce the flow of traffic on Fleet Street. There will also be an improved footpath linking the schools with the town centre.

Beaminster Technology College and Mountjoy will remain as two schools, but will share the site.

In May, Cabinet members agreed a budget of just under £9 million for the project and, now it has planning approval, construction will hopefully begin next spring, with the school set to open in the autumn of 2012.

■ DETERRENT: Dorset Police's PC Chris Forshaw oversees the first shift of volunteer speed-gun monitors in Chideock.

A MOVE to eradicate traffic problems in Chideock has started in earnest with the introduction of specially trained civilian speed monitors.

The anonymous group of residents will be using hand-held speed guns to catch motorists exceeding the strict 30 mph limit through the village.

The volunteers will don hi-visibility vests and patrol the stretch of A35, which was the scene of high profile demonstrations earlier this year when a group of protesters continually used the pelican crossing.

PC Chris Forshaw said: "This scheme is a direct result of con-

cerns from the local community. These are police volunteers and as such come under the umbrella of Dorset Police.

"We have got together to try and reduce the danger of speeding motorists. It's a very positive step forward for Chideock."

"This type of scheme is very effective, and we are positive it will show its effectiveness quite soon."

The volunteers will assist

police by "shooting" speeding vehicles, the information will then be sent to the police and a warning will be issued to the driver. Continued flouting of the law could see the driver face criminal penalty.

The speed gun volunteers received basic training, learning to use the equipment and what data is required, before hitting the streets for the first time on Sunday, September 5th.

However, President of Bridport Chamber of Trade, Mike Harvey said they were not consulted over the initiative and questioned the reason why it did not include places like West Bay.

"As usual we are the last to know about the discussions, despite being a local Chamber of Trade. Why are we never consulted?" he said.

"We do not consider that the district council has thought through the problem correctly."

"The suspension of the overnight charges should apply to all car parks. Why should someone visiting a pub or restaurant be charged for leaving their car overnight in West Bay and not in Bridport town centre."

"We agree with the suspension of Sunday charges for the inland parks only."

WDDC councillors have also approved a new system of parking permits to be introduced in the car parks for hotel and guesthouse visitors. This new system would mean hotels and guest houses can buy scratch card style parking permits and issue them to their guests, allowing them to park until 9am.

WDDC Leader Robert Gould said: "We are pleased to approve plans to remove parking charges in most of our car parks during evenings and Sundays, to help support the local economy and bring visitors and shoppers from outside the district into West Dorset, as well as helping local residents."

Combating equine crime

■ **FROM the left are PC Jane Brittain, Scats Countrystores Dorchester branch manager Sue Tolley and PCSO Sarah Hart with the weatherproof Horse Watch signs that were provided by Scats Countrystores.**

HORSE owners across Dorset are being encouraged to sign up to a scheme which will help make them less vulnerable to equine crime.

Horse Watch run by Dorset Police works in a similar way to Home Watch and Neighbourhood Watch schemes where increased vigilance and communication helps to reduce the chances of becoming a victim of crime.

There are currently over 350 Horse Watch members in Dorset with local co-ordinators available to support and assist all members.

Information about suspicious incidents, attempted thefts and criminal activity is shared so that scheme members across the county receive descriptions of equine crime suspects and criminal techniques that are

being used. Members are registered onto the Force's community messaging system, where they receive relevant crime prevention advice and information.

The scheme also provides the opportunity for its members to mark their equine equipment at tack marking sessions. Marking this valuable equipment makes it less likely to be stolen by thieves, while ensuring it is more likely to be recovered if it is stolen.

Scats Countrystores support the scheme and have provided weatherproof signs for Horse Watch members to display on outbuildings which show potential thieves that they are members of Dorset Police's Horse Watch scheme.

Police Constable Jane Brittain said:

"Horse Watch is a great initiative that offers security and crime prevention advice to horse owners across Dorset."

"Equine crime isn't just about financial loss. The emotional pain suffered when a treasured horse is stolen or when equipment is taken can be devastating."

"We also organise tack marking sessions so that horse owners can mark their equipment and all of our members are registered onto the Dorset Police community messaging system."

"Anyone interested in joining the Horse Watch scheme should visit the Watch Schemes page on the Dorset Police website where they can fill in an electronic expression of interest form."

If you're planning a Mad Hatter's tea party for Bridport's newest festival next week then Leaker's Bakery has come up with a treat to put the icing on the cake. Every year the bakery supports national cupcake week, which this year falls on the same dates as the Bridport Hat Festival.

To support both events the bakery has come up with its own range of hat themed cupcakes especially for the occasion.

The cakes are the creations of Leaker's star cake maker Zoe Bevis (pictured) and will be available from Leakers throughout cupcake week and Bridport Hat Festival. Other cupcakes to try will include Banoffee, Rocky Road, Pineapple & Coconut & Strawberries & Cream.

Leakers Bakery owner Caroline Parkins said: "We're really excited about Bridport Hat Festival and would like to wish the organisers the best of luck, it's such a great idea, we're taking our hat's off to them."

Bridport Hat Festival takes place from 17th to 19th September.

Veterans look the part

WHAT else would you expect of a cricket team named the Chideock Veterans, but a bunch of middle-aged men trying to live their youth again.

Unfortunately the standard of their cricket in the annual Crosby Cup competition held this summer didn't belie their title, although to give them credit, whilst their cup aspirations were dashed by not qualifying through the round robin stages, they found a second wind and reached the final of the Losers Plate knockout.

It was at this stage that Roger Snook, owner of hatters T Snook in West Street, Bridport stepped in to at least bring a little sartorial elegance to the team.

His grandfather had established the family business in 1896, around the time of the great W G Grace, and whilst the cricketers of the day wore caps to play in, the dress for spectators and indeed the cricketers off field was bowler hats.

Roger therefore decided to sponsor the side with a set of bowler hats which they wore in the final.

Whilst they might have looked good, it did them no good, and they lost to the Tiger Inn.

However the team have now adopted the bowler as their trademark, and will be wearing them at all their future matches.

They will be wearing them also around town for the Bridport Hat Festival, a brainchild of Roger, which takes place in the town from Friday September 17th until Sunday September 19th.

WHO'S BOWLING: The Chideock Veterans plus bowler hats pictured before the final.

New headteacher

A NEW academic year has also meant a new acting headteacher joining staff and pupils at St Catherine's RC Primary School in Bridport.

Frances Guppy, pictured above, will take the reins of the school for the next two terms, effectively until Easter, while the school's governors look for a permanent head.

Mrs Guppy comes from her role as assistant head at Weymouth's Bincombe Valley Primary School to take charge following the departure of Veronique Singer at the end of the last term.

Mrs Guppy has worked in many Dorset schools, including two acting headships, and had been working at the school during the summer term to ensure a smooth handover.

The school will be advertising for a permanent appointment in the autumn term.

Hospital car service up for discussion

THE future of the hospital car service will be at the centre of discussions at this month's West Dorset Western Area Transport Action Group (WATAG) meeting.

The bi-monthly meeting is open to all members of the public interested in public transport matters.

The future of the hospital car service, also known as the Non-Emergency Patient Transport Service, has been of particular concern in recent weeks. Tony James, Dorset County Hospital's interim Deputy Director of Operations, will attend the meeting to give an update on this topic.

There will also be an address by Helen Reed, Community Transport Manager for NORDCAT, on plans for the reintroduction of the Scooter Scheme aimed at helping people over the age of 16 access college and

work where no suitable public transport exists.

A representative from Dorset Passenger Transport has also been invited, to give an update on Dorset County Council's plans for public transport in the area.

There will be a review of items raised at previous meetings and, as always, there will be a "democratic moment" when any individual may raise questions about local bus and rail services to which they would like answers.

Anyone interested in public transport issues is encouraged to attend.

For further details, please contact the WATAG Secretary, Mrs Joy Michaud, on 01308 897892.

The meeting is 6.30pm next Thursday, September 16th at the Friends Meeting House in Bridport.

GREAT IDEA: Bridport Co-operative Store Manager Rob Garland presents the cheque to Annette Plaistow-Trapaud watched by staff member Emma Paget

A SIMPLE idea of displaying customer's unwanted books and videos in Bridport Co-operative has helped raise badly needed funds for the Dorset and Somerset Air Ambulance.

As a result the Sea Road North store handed over a cheque for £1,884 after just ten weeks of running the scheme.

Retail Skills Trainer Lyn Williams saw the idea in another store and initiated the scheme which is supervised by Trena Parker. Customers have been bringing in books, videos and DVDs they no longer require

which are displayed on tables near the cheque out tills and people are encouraged to take anything they fancy in exchange for a 50p donation per item.

Store manager Rob Garland said: "It's amazing how well it's gone. The stall needs no managing except topping up with items, and we are pleased that we are able to help raise funds for the Dorset and Somerset Air Ambulance which is such a worthwhile charity."

The cheque was presented to Annette Plaistow-Trapaud, the charity's fund raising co-ordinator in store last Friday.

She said: We are very grateful to Bridport Co-op for their generous donation with such a simple, novel scheme. It costs £3,800 a day to keep the helicopter in the air, and so this money is invaluable towards the cost of keeping it flying."

The store will be continue to run the scheme until at least Christmas.

"With Christmas coming up it is a way of obtaining cheap stocking fillers," added Mr Garland.

"If anybody has any unwanted good condition items which they wish to donate, we will be pleased to put them on display."

New PACT priorities

THE Marshwood Vale PACT will be holding its bi annual meeting to discuss progress over previously discussed priorities and to set new ones for the next six months.

On this occasion the meeting will be open to the public, the venue has been chosen because of the recent issues in Chideock and the creation of various actions in response to those issues.

It is believed the meeting will be of interest to members of the community as there are plans to discuss the issues along the A35 Chideock, which has been the scene of high-profile protests and seen the introduction of citizen speed watchers.

The meeting is scheduled for 7pm on Friday, October 8th at Chideock Village Hall.

Town hall throws open its doors

BRIDPORT Town Hall will throw its doors open to the public to discuss the ongoing renovation of the building.

Residents will be able to attend the building to discuss plans as part of Dorset Architectural Heritage Week.

It will be an opportunity to learn more about the ongoing Heritage Lottery Fund project, to restore and renovate the building and make it fully accessible.

It will also give residents a chance to see inside this fine Grade I Listed Georgian building, built between 1785 and 1787, with its collection of Fra Newbery paintings.

Doors will open daily from the September 8th to the 16th from 10am – 4pm.

Messy summer fun

OWLS ABOUT THAT: Isabella Cox meets Alfie the owl

By Tom Glover

BRIDPORT Children's Centre have been making the most of the summer sun with a season of fun activities.

Each week during the summer break there has been a different theme and children and parents have been making the most of what's on offer.

Week one was "Messy Week" where the centre was visited by local artist Tess Dickson.

Tess helping the children to explore paint using their hands and feet, before the children baked some mucky muffins.

Week two was "Animal Week", the children were visited by Sharandy's Birds of Prey and got the opportunity to meet Alfie the owl.

All the children taking part transformed themselves into their favourite creatures with fancy dress and face painting and then made animal biscuits, which were munched on whilst they listened to the Owl Babies story with "Alfie" perched nearby.

The final week was "Sports Week" where Ally the dance instructor led the children in a group dance and helped them become a creature from under the sea. Children followed an assault course, tried out balancing beams and took part in fun mini races, from the fancy dress race to backwards walking.

The Children's Centre staff would like to thank everyone for coming and felt it was an enjoyable and successful summer programme.

If you are a parent/carer of a child aged 0-five-years-old and would like to find out more about what your children's centre can offer then visit www.dorsetforyou.com/childrenscentres or pop in to the Bridport Children's Centre on Skilling Hill Road.

Voting reform campaign to be launched at Number 10

NUMBER 10 will host the launch of Fair Votes For Dorset tomorrow night, a cross party group campaigning for voting reform.

That is No.10 café bar in Bridport however, not the more common political hub in Downing Street.

Fair Votes For Dorset are campaigning for a "Yes" Vote in next May's electoral reform referendum. The group have gained support from members of the local Green Party, the Liberal Democrats, the Labour Campaign For Electoral Reform, Respect and the new Citizens' Action Party.

Fair Votes For Dorset are planning events and actions right across the county, including mock voting exercises, using the alternative voting (AV) system and meetings at sixth forms and a whole range of organisations including businesses, unions, women's and senior citizen groups.

The launch night is expected to draw a large crowd and will change venues from No.10 to the St. John's Ambulance Brigade's hall in Rax Lane, if the numbers demand it.

The speakers on the night will include Peter Facey, the national director of Unlock Democracy, the successor organisation to Charter 88, and Mary Southcott, who represents the Electoral Reform Society and the Labour Campaign For Electoral Reform. The Launch will be

by Tom Glover

chaired by Portland Town Councillor Richard Denton-White.

"Next year's referendum on the voting system promises to be very hard fought," said Richard.

"And whilst AV doesn't go far enough for many reformers, it at least promises to open the door for genuine reform at a later stage."

West Dorset District and Bridport Town Councillor Ros Kayes urged every pro-reform citizen to participate on Thursday night: "This is not an exclusively Liberal Democrat campaign," she said.

"There are so many active groups like the peace campaigners and green-minded Transition Town activists in Bridport, who ought to make a point of showing up on the night. Change is difficult under our current first past the post political system."

Anyone who is interested in Fair Votes For Dorset can phone Richard on 01305-826724 or Ros on 01308-482276 or email richard@people-first.org.uk.

The launch night will be at No.10 tomorrow (Thursday) at 7.30pm.

■ FITNESS instructors from Bridport Leisure Centre at the Melplash Show

Bridport Leisure Centre instructors offer freebies at muddy Melplash

MUDGY Melplash Show goers swapped their wellies for trainers as they enjoyed a host of freebies from the Bridport Leisure Centre.

The heavy rain before the show did not stop the centre's fitness instructors delivering demonstrations and taster sessions for all the classes which are on offer, with everything from Pilates to step aerobics.

As well as the free taster sessions there were also vouchers for free fitness classes and discount vouchers for Price for Life Membership, as well as cuddly dinosaurs, draw-string bags and balloons for the children.

Also proving popular on the day were the free fitness

assessments, checking blood pressure, BMI testing and weight.

The happiest customer on the day was Natalie Sorrel who won a six-month Price for Life Membership worth over £200.

The prize entitles her to a free fitness suite induction plus six months unlimited use of the recently refurbished fitness suite, swimming pool, fitness classes and squash courts.

Police warn of cold callers

DORSET Police and Dorset Trading Standards are encouraging the public to be on their guard – after a number of high pressure cold calls have been reported to the force.

Since the end of August at least 14 incidents of high pressure cold calling incidents have been reported to Dorset Police by concerned residents.

These calls have been made over the phone as well as on residents' doorsteps across the county – and have predominantly targeted people over the age of 80.

Although criminal offences may not have been committed during the high pressured cold calls, Dorset Police and the county council's Trading

Standards Service are encouraging members of the public to be on their guard to ensure they do not part with money or sign up to services "on the spot".

Inspector Caroline Quill is from Dorset Police's Community Engagement department.

She said: "These cold callers seem to be targeting older members of our community who they may believe are more likely to agree to the supply of services or equipment.

"Some of the services appear to be delivered at low initial cost, or even no cost, but will usually have high maintenance charges attached to contracts which are difficult to spot.

Be in no doubt – if what is offered seems too good to be true, it probably is.

"My advice is simple – do not agree to pay for any services being offered by a cold caller, either over the phone or on your doorstep.

"All reputable traders will understand the need for customers to think about what they are signing up to and will happily give that time without putting pressure on someone to sign up there and then.

"If you do not feel comfortable talking to the cold caller, simply hang up the phone or politely close the door to them.

"Some of the cold calls that have been reported to us include people trying to sell home security products, such as house alarms, and people promoting car-

pet cleaning services."

Ivan Hancock, Divisional Trading Standards Manager for Dorset County Council, said: "If residents are concerned about any of the trading practices used, or believe they are being misled by sales staff, I would urge them to call Consumer Direct.

"As well as getting advice about where they stand, complaints can be investigated by the relevant trading standards service. Consumer Direct is very much our front door for complaints.

"Where more serious criminal allegations are involved we will continue to work with Dorset Police to ensure the most appropriate action is taken."

Last chance to hop into space

YOUNGSTERS have until Saturday, September 11th to complete Dorset Library Service's space-themed summer reading challenge.

Children are invited to read six books over the summer holidays, picking up rewards along the way plus a medal and certificate for successfully completing the challenge.

Over 7,000 children have already signed up for the challenge,

and it's not too late to join at one of the county council's public or mobile libraries across Dorset.

Library staff are on hand to help and suggest interesting books for children to try and there is also an interactive website at www.spacehop.co.uk.

Dorset County Council Library Service manager Tracy Long said: "There's not long left until the summer reading challenge draws to a close but there's still time left

for children to join and finish reading six books.

The reading challenge is all about encouraging children to read for fun, building up their love of books and improving reading skills.

"Dorset libraries have a huge range of books to choose from for the challenge, which aims to give children a sense of achievement during the summer."

MOSTERTON

MOSTERTON residents are being urged to join an expanding arts and crafts group that has been formed in the village.

Like-minded ladies get together every other week at each others homes to practice their arts and crafts in a social setting.

The circle of friends even entered the Melpplash Show group craft exhibit, where they came third.

Group founder Carol Foice said: "Although we didn't let ourselves down we are at least aware of the standards required of the display and collectively we are determined to do better next year."

"We are a group of ladies

■ THIRD placed exhibit at the Melpplash Show Group craft exhibit, submitted by the Mosterton arts and crafts group

who all do different crafts, We thought it would be nice to get together and knit or sew or crochet at each other's houses each week.

"It's very relaxed, we have a cup of tea and a natter, it's a social thing."

To find out more call Carol on 01308 867987,

● MOSTERTON Gardening Club is celebrating another successful annual flower and produce show.

Entries increased to 342 this year, almost 50 more than last year, and children's entries nearly doubled.

There was also a special competition for pupils of the Parrett and Axe Primary School, who grew sunflowers from seeds donated by the club.

The tallest was grown by a pupil in Cheddington whose sunflower reached 3.76metres tall.

BROADWINDSOR

BROADWINDSOR Jubilee Group has handed out cheques totalling £1,200 to village causes.

Money raised from events held in the village throughout the year was presented prior to a thank you party at the Comrades Hall for Fun Day helpers.

There was a cheque for £500 to the church towards grass cutting, £300 to the allotments group to pay for a water survey, £200 to the community sports field, £150 to the school for high-visibility jackets and £50 to Fullers towards a Christmas meal.

● THE annual village garage sale takes place in Broadwindsor this weekend.

■ JOHN Kennedy, Mandy Crane, Fraser Hughes, Denny Hughes, Alan Bunch (Jubilee Group vice-chairman) and Peter Clark.

Villagers will be clearing out their wardrobes for the sale this Sunday September 12th. Tables will be set up in and around the square and other locations in the village. Items including books, bric-a-brac, clothing and furniture will be on sale from 10am until 1pm, maps will be available in the Londis shop. The event was first held

two years ago when road works closed off one of the streets. It was so successful that the village now has its open garages event every year.

Village dog show winner

A CHANCE meeting on a train travelling across Australia's outback culminated in woman winning a village's "Best in Show" award with her guide dog in his debut competition.

The award at the annual Whitchurch, Morcombelake and Ryall Family Dog Show went to a 22 month-old ginger golden retriever named Josh, who has been a team with Lee Kumutat for a just four weeks.

Australian Lee's connection with the village was forged when she and a couple of residents met on a train travelling across Australia five years ago.

Although based in London as a BBC Radio 4 freelance journalist, Lee regularly visits the village to relax and unwind.

The event, hailed the best yet, by organiser Pat Hawkins of the Five Bells pub, has raised £900 for local charities and organisations so far.

Mrs Hawkins said: "The weather helped for the first thing, but our success was also down to a lot of hard work from the committee and the new chairman coming in. A new person breathes new ideas into things."

"But I cannot put its success down to one thing, it was a group of things."

An AGM meeting with committee members and residents of the villages in October will choose the recipients of the money.

■ BEST IN SHOW: Lee Kumutat's guide dog, 22 month-old ginger golden retriever named Josh, won the top accolade.

Reassuringly Familiar, Refreshingly Different

At Leaf, Bridport's new manufacturer of garden furniture, planters & window boxes has just added Manchester University to its growing list of clients. A twenty seater bench will be installed in one of the University campuses next week. But if you think a twenty seater bench is big you should see the bespoke bench at the New Inn, Eype. Donal, the landlord, ordered a twenty four seater bench for his beautiful beer garden - a superb place to watch the sunset.

This has been Fat Leaf's first year of business and it has been a successful one for Ross & Jim, the founders. Lo-

cally the L-Shaped bench has been their most popular item, perfect for sunny corners. Although the Lovers Bench is a recent addition to the range and it is proving just as popular, espe-

cially with the free engraving of names and wedding dates currently on offer.

Fat Leaf continue to hold their prices and everything remains VAT free until the new year. Why not grab yourself a

Elwell Boarding Kennels

NESTLING in the heart of the West Dorset countryside, we are tucked right away from the noise and bustle, but we're still only a ten minute drive from Bridport town centre and the A35.

Are you looking for a safe and secure holiday

home for your dog, or livery for your horse? Then do have a browse around our site - we're really proud of our super new kennels, and our snug stables offer everything you need for full, part or DIY livery. For more information, please contact us by

e-mail (nell@elwellfarm.co.uk) or phone (01308 488923). Andrew and Nell look forward to hearing from you, answering your questions and providing five-star accommodation for your four-legged friends!

Creature Comforts

CREATURE Comforts moves with the seasons, Do You? Look no further. Keep that fresh, clean summer feeling when greeted by your best four legged friend. Just because has almost gone, doesn't mean the wet, damp smell of your dog's coat has to return too.

Autumn usually brings a lot of rain with it.... so instead of waiting till next summer to give your dog's coat a trim or remove matts and tangles. Book a clip, a nice fragranced bath, completed with a blow dry and nails trimmed. Keep your pet's coat and skin

clean and parasite free to avoid unnecessary skin problems. If left untreated hair between the toes can develop into stone like knots which can cause lameness, dirty damp coats can result in wet eczema on the skin. We offer a discount for first time customers, a bespoke service to suit your request and advice on which grooming tools to maintain your dog's coat. For more information and friendly advice telephone our salon today we look forward to meeting you and your pet.

Cafe Royal

JOINT business partners TJ and Shirley would like to make everyone in West Dorset aware that they are proud to regard themselves as one of the last standing 'traditional style' cafés in the area.

You can pop into Café Royal in Tannery Road, Bridport for a slap up all day Breakfast or freshly battered cod and chips at any hour of the day and feel completely relaxed, be yourself and watch the world go by.

TJ joined up with Shirley 7 years ago at the helm of the business with a vision to keep the retro feel of the business as close to that you

would have experienced in café/diners in the 50's and 60's. They have moved with the times somewhat but feel that with more and more modern, downsized up-market outlets opening in towns all over, it will be a shame to loose the traditional style cafe altogether.

The many large windows flood plenty of sunlight into this airy, spacious café that boasts additional features in a Juke Box, Pool Table and children's play pen. It is

Bridport Museum

THANKS to the generosity of Fowler Trading Estates, Bridport Museum can offer free entry to all its exhibitions throughout the month of September. Fowler Trading Estates, incorporating Dreadnought and the western part of North Mills, is a local family-run business with over 35 years of experience in letting its own business/in-

dustrial and lock-up units. A friendly atmosphere welcomes visitors to the Dreadnought estate which, since its beginning in the early 1970s, has grown to accommodate over twenty businesses. North Mills now supports in the region of ten thriving businesses operating within a diverse range of sectors.

With a long and inter-

esting history extending from the twine and rope-making industry, one of the few remaining rope-walks in Bridport still exists to this day on the Fowler Trading Estate. A fine example which is reminiscent of the age-old traditional industry and town's heritage still survives through one long-standing successful local business on the es-

tate, although many of the techniques and uses have changed over the years and have been brought very much up to modern day practices.

Bridport Museum

would like to thank Fowler Trading Estate for their kind donation, and hopes to see you all at the Museum over the upcoming Hat Festival month.

A Fridge full of freshness and flavour

In January 2010, Wayne Garnett celebrated 15 years of owning and running The Fridge Delicatessen in the Tudor Arcade, Dorchester.

In this time he has expanded the range considerably from traditional ham and cheeses, to a much larger range of specialty foods, including most of what Dorset has to offer. For those who have not had the pleasure of shopping in The Fridge it is often likened to an Aladdin's cave crammed full of specialist foods, from local produce sourced right here in Dorset, to a range of exciting and unique produce from around the globe.

When Wayne took the shop over it was named Tudor Hams, and this is still something the shop continues to specialise in. Cooked to a traditional recipe their gammons maintain that dry texture that is typical of a home cooked product.

Cheese is probably the biggest area in which they specialise with stock over 100 cheeses from Dorset Blue Vinny, the local unpasteurised famous blue cheese, to Gjetost a Norwegian caramelised mix of goats and cows milk. In addition to this they have at least ten goats cheeses and six sheep's cheeses always available, and around another 50 to order.

Their bread rolls are eight inch torpedo rolls and are baked fresh daily by the Dorset cake company. They are delivered fresh each morning along with their lardy cakes & Danish slabs often still warm to the touch. Their vast range of produce means that they really are blessed with being able to create some fantastic fillings for your rolls. Customers rave about the freshness and diversity of their take away lunch choice.

For over 14 years the fridge have also been selling these fantastic pies from Bridport. With Over 20 flavours their popularity is growing and they make a quick, easy and affordable meal using local ingredients.

Other products on offer include pickles, chutneys, preserves, biscuits, crisps, drinks, and much more quality produce bursting with freshness and flavour. They are also rapidly becoming well known for bespoke hampers. From package full of only Dorset cheeses to one full of only Italian goodies, we can produce a hamper of any size shape or cost to suit the recipients preferred palate.

Visit The Fridge today and you'll be sure to return again and again for tasty treats and everyday essentials.

Unveil a New You with LighterLife

LighterLife is an industry leader in weight management, with an established, highly successful approach to significant weight loss and lifetime weight management. Designed specifically for people with a body mass index (BMI) over 25, LighterLife offers two programmes depending on how much weight you have to lose.

If your BMI is 30 or above (that's around three stone or more overweight), you can join LighterLife Total (Before starting, you'll need to have a short health questionnaire completed by your GP)

If your BMI is 25-29.9 (typically one to three stone overweight), you can start LighterLife Lite (You'll need to fill out a short health questionnaire before joining, and this may need confirmation by a GP or Practice Nurse)

Weekly, single-sex group meetings are a key feature of LighterLife. Run by local LighterLife Counsellors Celia and Maggie, they're designed to help you explore some of the reasons you put on weight – because there's usually a bit more to it than simply 'eating too much'. Understanding why you overeat means you're less likely to return to the old habits that led to weight gain in the past, so you can live lighter in the future.

Once you've achieved your target weight, LighterLife's ongoing weight-management programme helps you live a lighter life for the rest of your life. With our support, it starts with a reintroduction to a full range of conventional food and enables you sustain the changes to the way you eat, think and live so you can keep the weight off long term.

If you want to make lasting changes to your weight and lifestyle, contact Celia & Maggie on 01305 259007 or visit www.lighterlife.com

Leftfield: Party like it's 1995!

BACK in the mid-Nineties, Leftfield were one of the hottest dance acts around. Their fusion of house, dub and reggae earned them a massive following, of which many - including myself - weren't normally attracted to the dance scene.

Prior to this summer, Leftfield hadn't played a show for around ten years, but this festival season the founding member of the duo, Neil Barnes, decided to resurrect the name and hit the road.

Although his original partner Paul Daley decided to sit the shows out - preferring to concentrate on his remixing work and a new solo record - the dates clearly had his blessing.

Kicking off at Rockness in June, the new live line-up played a number of festivals in the build up to the weekend before last's London Electronic Dance Festival - a new two-day event in the capital's Victoria Park - of which Leftfield were headlining the second night.

Although there was a spot of rain during Friendly Fires' set, the weather held off for most of the day despite the often ominous presence of nasty looking clouds. The event had two stages and, while penultimate act Goldfrapp pulled in a big audience (despite the fact Aphex Twin were playing in the big tent), by the time the headliners appeared the eyes of everyone in the park were set on the main stage.

The average pop fan might not know the name but they've been part of popular culture for some time; whether it's soundtracking Nineties classic *Trainspotting* or "that" Guinness advert with the horses, you might not have heard of them, but you've certainly heard them.

The set was dominated by tracks from the more influential of Leftfield's two studio albums, 1995's *Leftism*. And although they might be "half the band they once were," the absence of Paul Daley is made up for with the presence of a number of vocalists from the original LP.

The sound system had sounded a little weak earlier in the day but Leftfield made the bass roar; at times it felt as if the park was literally shaking!

Their festival shows this summer have spurred Barnes into a Leftfield UK tour later this year (including dates in Bournemouth on November 26th, Plymouth on November 27th and Bristol on December 2nd).

Neil will be joined by original vocalists Djum Djum, Earl 16 and Cheshire Cat, so if you didn't catch them over the summer months, don't miss out on what is a must-see show for dance fan. Just don't forget your ear plugs!

Rich Hall comes to Lyme Regis

STAR of the recent critically acclaimed BBC4 documentary, *How the West Was Lost*, Edinburgh fringe favourite and Perrier Award winner Rich Hall is back on the road.

Rich Hall has most recently been seen wowing audiences as one of the performers at both Channel 4's Comedy Gala at The O2, in aid of Great Ormond Street Hospital, and at the comedy benefit in aid of Teenage Cancer Trust at The Royal Albert Hall.

Rich will be performing in his usual style as the grouchy, deadpan comic genius.

Looking like a Pearl Jam roadie, Rich is a master of absurdist irony - he particularly likes to lay into Americans and life across the Pond at every opportunity.

As Rich Hall the stand-up, he has visited the Edinburgh Fringe Festival several times and performed at the major comedy clubs in Britain and across the world.

He is well known in the United States for appearing and writing on The David Letterman Show - for which he won an Emmy Award.

Rich Hall has been charming sell-out audiences each year at the Edinburgh Festival, on tours throughout the UK, at several festivals in Australia including Adelaide and Melbourne and at London's famous Comedy Store.

At the 2000 Edinburgh Festival, Rich Hall is Otis Lee Crenshaw won the highly prestigious Perrier Award.

Rich Hall's other TV work includes: *Rich Hall's Cattle Drive* (BBC4), *Rich Hall's Fishing Show* (BBC4), plus numerous appearances on the BBC panel show *QI*, hosted by Stephen Fry.

Poetry for Pleasure

by Frank McGarry

"There is something about the outside of a horse that is good for the inside of a man."
Winston Churchill

DID you see Martin Clunes' recent ITV programmes about the horse?

In his excellent two-part documentary, Martin reminded us how, only a century ago, before the invention of the 'horseless carriage', we were totally dependent on this wonderful animal.

These words are from The Koran:

*When God created the horse,
he said to the magnificent creature:
I have made thee as no other.
All the treasures of the earth
shall lie between thy eyes.
Thou shalt cast thy enemies
between thy hooves,
but thou shalt carry my friends upon thy back.
Thy saddle shall be the seat of prayers to me.
And thou fly without any wings,
and conquer without any sword.*

There are many horse poems to choose from but here is a varied selection of short ones.

Say This of Horses
by Minnie Hite Moody

Across the ages they come thundering
On faithful hoofs, the horses man disowns.
Their velvet eyes are wide with wondering;
They whinny down the wind in silver tones
Vibrant with all the bugles of old wars;
Their nostrils quiver with the summer scent
Of grasses in deep fields lit by pale stars
Hung in a wide and silent firmament,

And in their hearts they keep the dreams of earth
Their patient plodding furrowed to the sun
Unnumbered springs before the engine's birth
Doomed them to sadness and oblivion.
Across the swift new day I watch them go,
Driven by wheel and gear and dynamo.

Say this of horses: engines leave behind
No glorious legacy of waving manes
And wild, proud hearts, and heels

before the wind,
No heritage of ancient Arab strains
Blazes with a cylinder's cold spark;

An engine labours with a sullen force,
Hoarding no dreams of acres sweet and dark;
No love for man has ever surged through wire
Along the farthest slopes I hear the rumble

Of these last hoofs - tomorrow they will be still;
Then shall the strength of countless horses crumble
The stanchest rock and level the highest hill;
A man who made machines to gain an hour
Shall lose himself before their restless power.

The Horse
by Ronald Duncan

Where in this wide world can man find nobility without pride, friendship without envy, or beauty without vanity? Here, where grace is served with muscle and strength by gentleness confined, he serves without servility; He serves without servility;

he has fought without enmity.
There is nothing so powerful, nothing less violent.
There is nothing so quick, nothing more patient.

The author of this final verse is unknown but it was W.C. Fields who said, "Horse sense is the thing a horse has which keeps it from betting on people."

Horse Sense

A horse can't pull while kicking.
This fact I merely mention.
And he can't kick while pulling,
Which is my chief contention.

Let's imitate the good old horse
And lead a life that's fitting;
Just pull an honest load, and then
There'll be no time for kicking.

Feeling down? Saddle up!

Joint concert success

A LARGE and appreciative crowd were on Marine Parade for Lyme Town Band's recent joint concert with the Oxfordshire-based Wantage Silver Band.

Under their Musical Director Gareth Coulson, they began the concert and the bands then played alternately.

Each musical director's mettle was tested when, for one piece only, the bands exchanged conductors.

Gareth conducted the Lyme band for the lively Latin American piece 'El Taco Roco' and, before long, many Wantage players took centre stage giving a polished display on a range of percussion instruments, to the delight of the audience.

Lyme's Musical Director, John

Powell, responded by conducting the Wantage band in the well-known march 'Bandology'.

There was further audience participation later in the programme when Lyme Band played Eddy Grant's hit 'Gimme Hope Jo'anna'.

Children were invited forward to choose a percussion instrument and there was no shortage of volunteers.

Lyme Band ended the evening's entertainment with the customary and lively 'Can Can'.

It had been an evening of non-stop music, greatly enjoyed by listeners and players alike.

As much as the music was magical, so too was the setting - by the end of the concert, Lyme Bay was swathed in moonlight.

The band's final concert of the

summer programme was also the last in the Marine Parade shelters in their present form.

Local people were invited to mark this event and there were a good many present.

They joined the band at the end of the concert in the singing of 'Auld Lang Syne' and for many, this must have been a moment when memories of bygone years came flooding back. Refurbishment of the shelters is expected to be finished by the end of June 2011 and the band will be back in their new surroundings on the first Tuesday in July.

In the meantime, they return to regular Tuesday practices and rehearsals for the ever-popular Christmas Concert on Saturday 18th December.

BOND IN BENIDORM

THIS has raised a few eyebrows – former 007 Roger Moore is to star in ITV1's *Benidorm*. But will he be expected to wear tight Speedos and drink lager?

Years of seducing women in exotic locations around the world as James Bond should prove handy when Sir Roger Moore joins the cast of the ITV comedy.

However, he won't be expected to pull on a pair of Speedos, neck lager and cause uproar around the pool, as he'll play a local dignitary.

The show managed to land Roger after producers learned he was a big fan of the hit show. An insider said: "Roger is a massive fan so we thought it would be fun to get him involved. Producers approached his people and they said he'd love to, so we came up with a role for him. They've gone for something which they think he'll be comfortable with – a local dignitary."

The former 007 is due to fly to Spain in the next few days to film his scenes. Other cameos rumoured for this series include Cilla Black and Louie Spence.

GOODBYE AMY? | DOCTOR Who actress Karen Gillan could be exterminated in the next series of the sci-fi show if rumours are true. *The Sun* reports that the Doctor's sidekick Amy Pond will be killed off.

A show insider told the tabloid that Amy will exit before the end of the next series, making her the first of the Time Lord's companions to die since Adric (Matthew Waterhouse) in 1982.

Show boss Steven Moffat announced at the Edinburgh TV Festival that the next series will be split into two parts, the first of which will end after an "earth-shattering cliffhanger" which he describes as a "game-changing moment" for the Doctor (Matt Smith) and Amy.

He said: "It's a huge event. In order to let you have time to recover we will let you go off and have your summer holidays and then come back in autumn."

Karen, meanwhile, was coy about the cliffhanger. When asked how long she will remain in the show, she said: "I have no idea. I guess you just have to take it series by series. Who knows? But I'm having a lot of fun right now."

GILLAN GOING | The next series of Doctor Who could be the last to feature Amy Pond

STIG OFF | TOP Gear presenter James May says The Stig will be killed off and replaced with a new driver following the recent controversy over Ben Collins' attempts to publish his own book.

But the presenter, dubbed Captain Slow, said that he and fellow presenters Richard Hammond and Jeremy Clarkson would give the iconic character a humiliating beating first. The tongue in cheek jibe has come after Ben Collins' unmasking as The Stig following his legal victory over the BBC, which will allow the driver to tell his story about the role.

There's little doubt the driver will be ousted from the show, and James, 47, said The Stig will be retired in the same manner as his predecessor, The Black Stig, who was played by racing driver Perry McCarthy. That character exited the show by driving off a cliff in 2003.

Top Gear returns for its 16th series later this year and May explained producer Andy Wilman was furious with Ben, 35, for writing a book about his show adventures.

He said: "There was black-overalls Stig, who had to be dealt with by Andy. And then we got white-overalls Stig, who will be dealt with. We start some filming next week."

"We've had some thoughts - driving to The Stig's house and nailing his head to the table was one. And getting our overalls back because they're not his. And those stupid, pony shoes he wears. They're ours. And the gloves," May added. Collins was axed from the show on Wednesday after the BBC's failed High Court battle against HarperCollins, who will publish *The Man In The White Suit* in two weeks.

Barcelona-based Chelsea comes home for Artsfest exhibition

CHELSEA Davine, artist in residence at the Boat Building Academy in Lyme Regis, is holding an open studio at the school on Monmouth Beach as part of Lyme Regis Artsfest.

Chelsea, who grew up in Lyme Regis where her family still live, is now based in Barcelona, but has been offered a solo exhibition at the Russell Gallery in London.

Rather than ship the paintings over from Spain, Chelsea decided to look for a space to produce the paintings in Lyme. Preferring to be part of a working environment rather than in a studio she approached the Boat Building Academy, who were delighted to provide her with some wall space in among the trainee boat builders and woodworkers.

A graduate of Chelsea College of Art and Design, Chelsea's work is abstract, painted on materials ranging from canvas to steel and copper. Her inspiration for this series of paintings comes from wooden boats aging in the harbour; the oxidation and degradation of iron, the slow rusting and exposure of layers of paint beneath.

The Lyme Regis Artsfest runs from Saturday, September 25th to Sunday, October 3rd.

For further information please contact Chelsea Davine at chelseamilk@hotmail.com or Yvonne Green at office@boatbuildingacademy.com. Visit www.chelsea-davine.com for more details on Chelsea's work.

EXPLORATORY LABORATORY

THE Jurassic Coast. One hundred and eighty-five million years of history in 95 miles. And it just keeps changing.

These changes need monitoring, and world-renowned scientists are working here, in Dorset and East Devon, to track them using innovative methods and technology along this World Heritage coastline.

Exploratory Laboratory will bring together artists with earth scientists in a collaborative project to explore this unique section of our coast and arrive at new ways of seeing and understanding it.

This exhibition at Bridport Arts Centre is the start of that conversation and will kickstart the process.

It highlights some of the new techniques and technologies being used by earth scientists to map and monitor the coast and explores how artists are also working with scientists, interpreting and visualising data, presenting research and adopting new technologies to create new work.

A series of workshops, talks and demonstrations led by artists and scientists will provide information and hands-on opportunities for further discovery of both the artistic and scientific sides of Exploratory Laboratory.

Work by artists includes Michael

Eden, a ceramicist, who uses highly complex technologies such as 3D mapping to create objects that are physically impossible to make with traditional pot-throwing methods.

Technology has allowed Mat Chivers to capture a human breath and present it as a three-dimensional sculpture, an intriguing and mystifying sight.

Scientists are using similar processes to 3D map the coast and create models to highlight the impact of the rising sea levels.

Alex Hartley, winner of the Arts Council's Artists Taking The Lead' for the South West, will adorn the gallery with notes and ideas from his trip to Antarctica with Cape Farewell to help expose the thought process of an artist looking at the scientific world.

Exploratory Laboratory is the

first project from Big Picture, a collaboration of organisations and individuals pooling their resources to strengthen the visual arts in Dorset.

The project includes a symposium for artists and scientists; future projects will include residencies for artists and the creation of site-specific work for the Jurassic Coast.

The project is supported by the National Lottery through Arts Council England, Dorset County Council, Dorset Strategic Partnership, Jurassic Coast World Heritage Site, West Dorset District Council, The Fine Family Foundation and Departure.

● CATCH the exhibition at the All-sop Gallery, Bridport Arts Centre, South Street, from Saturday, September 18th to Saturday, October 23rd 2010.

THE Palm House in Weymouth - your number one stop for plants, gifts and garden accessories - has reopened under new managers Nigel and Vicki Duff.

Situated adjacent to the Gurkha restaurant, overlooking Radipole Lake, The Palm House is conveniently placed near a town centre car park.

Nigel and Vicki, pictured below, are keen to develop a "coffee culture" and The Palm House coffee bar is a great place to have a break and enjoy a hot drink. There are also smoothies, milkshakes, ice cream on the menu, alongside paninis and cakes - all available seven days a week.

Nigel has worked as landscape architect for many years, having spent two decades as a garden designer, whilst Vicki has worked in office admin - so, together, their talents are a great combination.

They've moved to Weymouth from Herford having always wanted to live and work in Dorset.

Having a young family themselves, they're very much aware of the needs of families, so have made provision for all ages to create a real, family environment. The Palm House has easy access throughout along with a play area for the kids.

The plant centre offers palms, olives, shrubs, indoor plants and a few unusual ones too. Have a browse in the gift shop and you'll find everything from garden accessories to nautical gifts, wall art, pots and sculpture.

For more information on The Palm House, call 01305 458089.

Have you tried fish and chips at Herbies yet?

LOCAL businessman Matt Yaxley has just finished his fourth summer at the helm of the well established Herbies Dino Bar on the seafront at Lyme Regis.

When Matt took the business on it was regarded more as a run of the mill burger hut but he has transformed the kiosk over his time in charge.

Even so, it has been voted as the best place to get 'cheap fish and chips' by TV celebrity chef Valentine Warner!

Herbies only stocks the freshest fish from 'the old watchhouse in the square on the Cobb' and usually specialise in one or two types a day - Cod, Haddock, Ling, Whiting or Pollock - which are often prepared in Boddington's beer batter.

Also served is a range of burgers, breakfast baps, fish cakes, scampi, sausages and a new special - whitebait, chips + tartar sauce for £3.75!

None of the fish is frozen; it is all caught by local fisherman and provided by suppliers in West Dorset. Orders are happily taken by phone so please call ahead to avoid queuing, although because of Herbies harbour side location, you will not be disappointed by the stunning views across the Jurassic coast.

Open 10am until 9pm daily (whether permitting). Please call 07775513066 to check.

Donkey walks and picnics in Beaminster

WALK a short way west of Beaminster through Puckett's Wood and you will come to Stokewater Meadow, field home of Stokewater Meadow Don-

key and Art centre.

The French have been wild about donkey walking for years. There is something profoundly satisfying about walking with these

attentive and affectionate animals. Taking the weight off your shoulders by carrying your picnics and baggage in the traditional way. Smallholder Chris

Brancher helped by his partner art educator Susan have set up the centre in a beautiful valley setting.

They offer a days donkey experience starting with basic donkey handling tips, grooming and tacking up followed by a leisurely walk

four to five miles through the bridle ways around the Brit Valley and TV's original River Cottage location. Pub

lunch or picnic en route.

In addition, parents and children may enjoy our donkey art picnics in the vicinity of the stream bordered valley centre, especially during school holidays.

Individual needs catered for. Please contact Susan and Chris Brancher on 01308 862045 for more details.

FRANK refreshes the property market

A NEW estate agency is launching in Seaton for the Lyme Bay area, beginning a new chapter in the way we buy and sell property.

Frank is a concept developed by two friends who had become disheartened by their respective experiences as an experienced local agent and a successful local property owner.

They decided to challenge the negative public perception of an estate agent and establish a business that's built on the solid foundations of honesty, trust and transparency. The name Frank is an expression of their open and sincere approach to the property business.

Tristan Connell, co founder of Frank, said: "Rather than trying to reinvent the wheel, we're just trying to lay a smoother path. As a process buying and selling homes is straightforward, so that's how

we need to be in our approach as an estate agency. Frank is a simple premise that should make a big difference, we're not here to make outlandish claims such as 'we're revolutionising the traditional estate agency' because we're not. We just want to become known as the honest face of property dealing".

Chris Reed, Tristan's co-founder, will be Frank's main operator day-to-day. He not only benefits from 14 plus years experience of the local market but, on reputation alone, he is a man of uncompromising character who - even under the closest scrutiny - can only be described as upfront and honest in his approach. His warm and approachable manner is Frank in its human form; wholly approachable and unwaveringly sincere.

He said: "I have waited for an opportunity like Frank for my entire career. The values and processes

of Frank are the ones I have always followed. I like to develop a close relationship with my clients. I keep in regular touch and have a very honest and open approach. I have always been Frank and I am thrilled that this is now the sign above my door; I can now ensure that every agent we employ, and every dealing we have, will adhere to these essential principles".

This unique collaboration between property owner and estate agent has given the two greater insight into both sides of the coin and enabled them to manage the issues faced on either side of the fence.

Frank opens its doors to its open approach on September 10th. Stop by and take a look where you can meet (the) Frank (team) and enjoy some delicious local food prepared by River Cottage's head chef, Gillon Meller.

5 LEWESDON CLOSE, BEAMINSTER - £139,950

A deceptively spacious 3 bedroom mid terrace house close to the centre of Beaminster, with kitchen/diner, lounge and a conservatory leading to the front garden. It has a garden to front and a substantial garden to the rear. The house is in need of modernisation and hence priced accordingly, but has bags of potential and is certainly a great investment opportunity. The buyer must be made aware that this is a former local authority owned property, and as such has purchasing conditions which state that the purchaser must currently live or be currently employed in Dorset, and has been for a minimum period of 3 years.

Peugeot shines through in a damp August

PEUGEOT has continued its strong 2010 sales performance in August, bucking the trend in a month as disappointing for its car sales as it was for its weather.

An excellent performance by its three award winning models, the 3008, 5008 and RCZ, helped Peugeot match its 2009 sales performance in a market that declined by 17.6%.

The extra appeal of its new models has strengthened Peugeot's resilience in a tough post-scrappage market and has helped the brand increase its year to date sales by 16.8%, in a market up 13.2%.

The practical, stylish and economic Peugeot 107 city run-about had a particularly strong performance, thanks to the fact that buyers can now drive away with fully comprehensive insurance for three years (available from 21 years of age on the 107 Millesim), three years of warranty, three years of servicing, three years of roadside assistance and three years of vehicle excise duty, all for a single fixed monthly payment of just £197 under Peugeot's innovative Just Add FuelTM finance package. Other models in the Peugeot range have also benefited from increased sales from the Just Add

FuelTM programme in August.

Peugeot's range of stylish models is not only proving popular with retail buyers; 2010 has seen overall fleet sales increase by just under 25%, with registrations up just under 20% in August, a traditionally quiet month ahead of the September plate change. These figures give Peugeot a 6.26 per cent share of the fleet market year-to-date.

Peugeot vans are also continuing to perform strongly, up 28.4 per cent year to date, with the small, economic and driver-friendly Bipper and Partner vans

proving particularly attractive.

Commenting on the figures, Jon Goodman, Managing Director, Peugeot UK, said: "These figures show just how strong the Peugeot brand has become, outperforming the car market considerably in tough post-scrappage conditions and maintaining sales in a traditionally quiet August."

The results bear testament to the appeal of Peugeot's new cars but also to our ability to deliver the kind of all-round motoring experience the UK public wants and needs."

New Jaguar XJ wins prestigious Professional Driver Car of the Year title

THE EXCITING new Jaguar XJ has won the prestigious 2010 Car of the Year award from Professional Driver magazine, rating it as the top car for Britain's chauffeurs and Private Hire drivers.

To receive the overall Car of the Year accolade, the winning XJ – a 3.0-Litre V6 Diesel Long Wheelbase model – not only defeated its nearest rivals in the closely-contested Chauffeur Car of the Year category, but it also gained the highest average score of the four individual award winners.

The annual Professional Driver awards are judged by more than thirty expert judges from the chauffeuring and Private Hire sector and the motoring media. Each

vehicle is rated on 10 different criteria considered most important for professional drivers, ranging from appearance and driving dynamics, to rear seat comfort and legroom.

"The new Jaguar XJ makes a statement that none of its rivals can match," said Mark Bursa, editor of Professional Driver Magazine. "The judges loved the XJ's looks, its beautiful and distinctive interior and outstanding driving dynamics."

With the highest overall points score of the 33 vehicles entered, the Jaguar XJ 3.0-Litre V6 Diesel Long Wheelbase was rated the best car for professional drivers, outscoring competitors like Mercedes S350 LWB

and BMW 730Ld, last year's winner.

The Jaguar XF was also rated highly by the judges, finishing in the top three of the competitive Executive Car category.

Geoff Cousins, Managing Director, Jaguar UK, said: "Professional drivers have very high standards and expect the best in their choice of car. The new Jaguar XJ

has brought a bold new approach to the executive car market in the UK with its distinctive design, generous accommodation and impressive predicted residual values. Winning this important award isn't just about recognising how impressive the new Jaguar XJ is, it also reflects how competitive our new class-leading Chauffeur Programme support package is.

Ford announces prices for all-new C-max and Grand C-max

FORD'S all-new C-MAX will go on sale in the UK in October, priced from £16,745.

Both the sporty but spacious five-seater and the Grand, a versatile seven-seater, come with a simplified two-series line-up – Zetec and Titanium. Prices start from £16,745 for the C-MAX Zetec and £18,745 for the C-MAX Grand Zetec.

With almost two-thirds of UK buyers in this segment now seeking seven-seat flexibility, the Ford Grand C-MAX becomes the spiritual successor to today's model, which was also designed to maximise practicality. Priced from £18,745 for the 1.6-litre petrol 125PS Zetec, the Grand offers family-friendly flexibility, with the extra utility of twin sliding doors, versatile seating and im-

proved engine efficiency - and all for just a £250 premium over today's model. The Grand Zetec with 115PS 1.6-litre TDCi, the anticipated volume seller in the UK, is priced at £19,745 - £750 less than the outgoing equivalent.

The five-seat model will appeal to customers seeking more space than a regular family hatchback, but who do not want to sacrifice sporty design or driving dynamics. On the road prices start from £16,745 for the 1.6-litre petrol Zetec.

Mark Simpson, marketing director, Ford of Britain said: "When C-MAX was launched in 2003 it preserved all the brand's most important qualities including style, comfort and driving quality, but added more flexibility and

space to the Focus package."

"Since then the market has expanded quite considerably with customers expressing a variety of needs. These are met with the family-friendly seven-seater and the sporty-but-spacious five-seater. The new Ford C-MAX and Grand C-MAX are priced to offer customers best value for money whilst still introducing many exciting new technologies which will feature on the all-new Focus due next year," he said.

Standard equipment on all models includes alloy wheels, air conditioning, leather steering wheel, Thatcham category one alarm, DAB radio/CD and Bluetooth with USB connectivity and voice control. Grand C-MAX has powered child-proof locks on the rear dual sliding doors, and rear parking sensors.

The Titanium trim supplements these features with auto front wipers and headlamps, dual electronic automatic temperature control, auto-dimming rear-view mirror, hill launch assist, keyless start, cruise control with speed limiter, premium Sony audio, and tyre deflation detection system. The Grand C-MAX Titanium also has power folding mirrors.

Customers will be offered a choice of three petrol engines and two diesel engines. Making its debut in the Ford C-MAX and Grand C-MAX is the all-new four-cylinder 1.6-litre 150PS Ford EcoBoost engine which comes with a new six-speed manual gearbox. This gearbox also accompanies the 1.6 TDCi and 2.0 TDCi powertrains, which are jointly projected to account for around 50 per cent of sales. For those preferring an automatic transmission, the dual-clutch Powershift six-speed automatic option is available with the 2.0 TDCi powertrain.

PERRY STREET LEAGUE

WITH HOWARD LARCOMBE

WIN START FOR CHAMPS

Hussey brothers on scoresheet

PREMIER DIVISION

Perry Street 2 Lyme Regis 3

REIGNING League champions Lyme Regis began the defence of their crown with a hard-fought 3-2 win at Perry Street.

The Seasiders, newly crowned Chard Hospital Cup winners, have requested all away games for each of their three teams throughout September whilst their Davey Fort HQ is renovated.

A Julien Simier strike gave Lyme a half-time lead, but Ben Stevens, whose pace caused the visitors defence an anxious time leveled after the restart.

The Seasiders restored the lead when a Rob Thomson crossed was turned into his own net by a hapless Street defender. Simier made the points safe before the Chris Warry grabbed a late consolation from the penalty spot.

West & Middle Chinckon 2

Merriott Rovers 8

NEWLY promoted West & Middle Chinckon were given a tough welcome to life in the Premier Division as they were thrashed on their debut 8-2 by neighbours Merriott Rovers on their own Oxleaze turf.

Rovers eased into a 3-0 lead before left-back Nick Bond cracked home a scorcher from the edge of the box to reduce the arrears. Then Ollie Hutchings was felled in the box but Mark Cawley blasted the penalty over the bar and the Chincks' impetus was lost.

The result was confirmed when the visitors made it 4-1 on the stroke of half-time. Cawley did find the net late-on but by then Rovers were well out of sight. Scott Jennings (4), Mark Smith (2), Lee Martin

and Craig Fall made up the Rovers eight.

DIVISION ONE

Charmouth 1

Lyme Regis Reserves 6

CHARMOUTH began life back down in Division One with a local derby against Lyme Regis Reserves following their tough season in the Premier. But The Seasiders, including Luigi Gilbert and Marc Simier from French twin club US Creully, were in now mood to welcome back their neighbours with open arms and stormed to a 6-1 victory at Barrs Lane.

The sides were locked goal less at half-time. Lyme thought they had taken the lead when Tim Edwards slotted home only for referee Bob Hall to call play back following an offside flag.

But Lyme finally found a way through and new signing Gareth Fooks marked his debut with the opener. It was 2-0 on 50 minutes when Ally Rattenbury converted a penalty following a foul on Ryan Fifer. It was 3-0 soon after when Fred Thomson sprung the mistimed Charmouth offside trap.

Lyme player-manager Gerard Hitchcock then rang the changes bringing himself off the bench and immediately claiming number four. Hitchcock then squared for Thomson to tap in the fifth, and was then fouled as the Seasiders were awarded their second spot-kick. This time goalkeeper Jedd Whittington stepped-up to complete the half-dozen. There was still time for Adam Cody-Boucher to notch a late consolation for the well-beaten Robins.

Crewkerne Town 3 Thorncombe 0

RELEGATED Crewkerne Town gave new manager Nick Murphy the perfect start to the season with a 3-0 win over Thorncome at Henhayes.

Murphy himself was amongst the goals with the others coming from Gavin Charles and Barry Hayne.

Forton Rangers 3
Ilminster Town Colts 1

FORTON RANGERS could well be equipped to make another push to regain their top division status.

Things have started well with goals from John Smith, Alan Mansell and Lee Richardson (pen) proving too much for the Colts who had a Jake Woodard strike to show for their efforts.

Millwey Rise 4
Perry Street Reserves 0

NEW boys Millwey Rise made a superb start with a 4-0 thumping of Perry Street Reserves. Adam Whitehouse (2) and Mike Knight (2) shared the goals.

Netherbury 4 Norton Athletic 0

NETHERBURY could be a smart bet for a promotion challenge this season. The Ambers hit the ground running with three points and a clean sheet in beating visiting Norton Athletic with goals from Tim Hussey, Phil Hussey, Aaron Marshall and James Sayers in an impressive 4-0 win.

DIVISION TWO
Beaminster Reserves 5
Dowlash & Donyatt 2

DOUBLES from Dan Pyett and Josh Hunter and a single from Richard Miles gave Beaminster Reserves an excellent opening day win with a 5-

2 triumph over Dowlish & Donyatt.

Crewkerne Rangers 2 Pymore 6

A HAT-TRICK from Andrew Huxter gave Pymore the perfect start to life back down in division two. Brandon Scadding (2) and Alex Goodrick also found the net in a 6-2 win over newly promoted Crewkerne Rangers.

Uplyme 1 Hawkchurch United 1

NEW Uplyme joint manager Gavin Fowler felt his side were guilty of dropping two points after failing to take their chances against visiting Hawkchurch in the opening day's only drawn match.

Things looked good when new signing from Lyme Regis Stuart King, in an unfamiliar midfield role, marked the start of his second spell with the Swallows by smashing home a 20-yard drive into the top corner.

At the other end Uplyme keeper Lloyd Cleal pulled off a fine save by tipping a long shot onto the crossbar.

But the Hawks grabbed a point through Simon Harding, back with the East Devon club after a spell with the now defunct Fivehead United, with a stunning long range effort.

Despite not winning Fowler has been pleased with the new-look Uplyme: "We've got a really young squad, they will have to learn from games like this, but we've only really had four or five games together – we'll be fine."

DIVISION THREE
Drimpton 1 Misterton Reserves 6

FORMER Misterton first team man-

DOUBLE | Julien Simier continued his good start with two more in Lyme's 3-2 win at Perry Street.

ON TARGET | Aaron Marshall scored for his new club Netherbury in 4-0 win over Norton.

BRACE | Brandon Scadding scored twice as Pymore thrashed Crewkerne Rangers 6-2.

Ilminster Town A 1

W & M Chinckon Reserves 5
THE Chinckons' second-string made their PSL bow in spectacular fashion with a 5-1 thumping of Ilminster Town A.

YASHMIN HAULS BIGGEST CRAB

FOUR-year-old Yasmin Harwood showed her elders the way when it comes to crabbing by landing the heaviest crab in West Bay Sea Angling Club's first crabbing competition.

The event was held on RNLI Day at West Bay in aid of the charity, and despite the rainy conditions seventeen people of varying ages competed.

The two hour competition using only hard lines saw David from Oxford win the senior prize (over 16) for most crabs with 18, whilst Megan Hannam from Norfolk caught an amazing 88 to claim the junior prize – her sister also did quite well catching a total of 66 crabs.

But it was Yasmin from Bridport who proved the saying "quality not quantity" with her 110g whopper to win the heaviest crab.

All of the catch were returned to the harbour alive and well to fight another day.

WBSAC would like to thank The Angling Centre and Richard "Tiny" Daw for donating the prizes, and to everyone that took part. They hope that they can make it an annual event in the calendar.

Lyme Regis Bowls

LYME 'A' are now the only league team left playing and acquitted themselves well against Sherborne with eight points.

On the friendly front Lyme played host to three touring sides, who turned out to be anything but friendly, turning over the Lyme opposition with relative ease.

The first full day of the Club internal finals have taken place this Saturday with the remaining finals to be played on the 14th.

Perhaps the only real upset was the ease with which Clair Barber despatched Ann Allman in the ladies handicap singles. Ann later took out her revenge when she managed to take the ladies two wood title with a narrow victory over Val Cozens.

The Married Couples final was an eagerly awaited affair between the Rattenburys and the Barbers, both winners of this trophy in the past. This was a nip and tuck game in which it was obvious the spoils could go either way.

It has to be said that a very in form and accurate Barry Rattenbury was the main factor in the Rattenburys coming home the victors by three shots.

In the other finals Paul Pomeroy dismissed Peter Eagles in three straight sets, Paul also accounting for Charlie Barber in the two wood by fou shots. In the two wood mixed pairs, Nola Stephens and John Beadsley overcame a rather jaded performance from Malcolm Clark & Bill Payne to win by six shots.

In the 'Fillies' Ladies' Captain Jan Parsons overcame the tenacity of Diana Courtenay-Smith by seven shots.

One of the more amusing pastimes of the day, for those of us who were spectating, was to see who managed to deal best with the attention given to them by wasps!

Seasiders enjoy Poole golden celebrations

WEYMOUTH Rugby Club prepared for the coming season with two friendly matches whilst helping Poole Rugby Club celebrate their 50th anniversary by taking part in a triangular Festival of Rugby event that also included Swanage & Wareham.

The Seasiders lost 17-0 to their hosts in the first game with Poole always looking the better team and showing that their pre-season training was starting to show good rewards. Despite this Weymouth defended well with a good display on his debut by Lewis Allan at scrum half, and great tackling by Paddy Jones.

After Poole and Swanage & Wareham had fought out a 1414 draw in the second game, the Seasiders then drew 0-0 with the Swans to complete the matches.

After the first game Weymouth found their stride and attacked well, and for most of the game they were camped in the Swans twenty-two. Mike Orchard and Lewis Allan on their debuts were unlucky not to score, whilst there was good attacking play from Andy Thorne, Ron Perks and Nathan Allan.

The Swans where always a threat on the break however and where unlucky not to score just before the end but were thwarted by fantastic tackles for Robert Smith and Will Hamlin.

Weymouth's Chris Davis said: "We would like to thank Poole for their hospitality and to both them and the Swans for a great day and some fantastic games of community rugby."

LOCAL TRIO EXCEL IN INTER-COUNTIES CHAMPIONSHIPS

PRIDE OF THE COUNTY | from left, Alistair Tuck, Megan Tuck, Kirsty Wickham.

THREE local athletes finished their season in fine style by winning medals in the South-West inter-counties athletics championships recently.

Competing for Dorset, Megan and Alistair Tuck and Kirsty Wickham produced top drawer performances.

Megan took gold in the U20 Womens Hammer with a throw of 36.78 metres, before claiming bronze in the discus with a below par throw of 25.73 metres.

Although he threw well below his recent personal best, Alistair claimed the U17 Mens Hammer with a throw of 51.80 metres.

In the U15 Girls, Kirsty competed in three events. She finished eighth in the long jump with a best of 4.42 metres, and was fifth in the 75m hurdles in a time of 12.87 seconds. She left her best to last by producing a PB in the high jump of 1.53 metres to take the bronze medal.

All three athletes have been in action throughout the season, competing for Dorchester Athletics Club (DAC) in the South-West athletics league division two, where Alistair shattered the record for the U17 Mens Hammer.

In one of the August meetings he felt his form was such that he could get close to the record of 43.84 metres that has stood since 1993. However not only did he beat it but smashed it with a gigantic throw of 57.59 metres. This is also a DAC record and a new PB for Alistair by four metres.

Kirsty was also in good form in the last Southern Womens match of the season when she added another 2cm to her high jump PB with a clearance of 1.55 meters.

GOLF NEWS

LYME REGIS with Steve Percival

Stoke Salver

AFTER the wet and blustery weather had subsided to a windy but dry afternoon, the Lyme Regis A team took on Ashley Wood in the semi final of the Stoke Salver competition on Sunday 5 September.

Played as a scratch competition over 36 holes, the format was a foursomes competition in the first round followed by individual match play in the second round.

Although Lyme had home advantage the team knew that they would have to play to their best to win through. So it was to be in the first of the foursomes where team captain Roger Seed and his playing partner Matt Searle lost a close fought round by 2 - 1.

Meanwhile Scott Love and Ian Mudford secured a comfortable victory by the impressive margin of 7 - 5. With Ed Lawrence and Greg Matthews also securing a victory by 2 - 1 it was up to Adrian Morgan and David Fidge to clinch a one match margin going into the second session. Unfortunately it was not to be and they lost a close match narrowly by 2 - 1 to leave the first session all square at 2 - 2.

Whether the inter round team talk by captain Roger Seed had an effect or whether the team played well out of their own motivation is not clear but all of the Lyme team performed exceptionally well in the second session. Roger Seed led the way with an excellent 3 - 2 win followed by Matt Searle with a 2 - 1 win.

Scott Love having been 6 up and, despite playing consistently well, found this margin progressively reduced to 3 over successive holes. However, he hung on grimly to finally secure a 3 hole victory.

Meanwhile Ian Mudford played another outstanding round to secure a second 7 - 5 victory for the day. Both Ed Lawrence and Greg Matthews notched up a 3 - 2 win while David Fidge

also secured a valuable 2 - 1 victory.

The final match of the day saw a close fought contest with honours even up to the last hole and, although at one stage it looked as though Adrian Morgan was going to secure an overwhelming 8 - 0 victory for the team it was not to be and the match was halved leaving the overall team score at 91/2 - 21/2.

The final will now be played on Sunday 12 September away against the event sponsors Yeovil.

'Limited options' hamper promising Ethiopia

NATIONAL Hunt racing closes down

this week for a ten day breather to allow the jockeys to get their second wind, and a holiday, ahead of the arduous winter season ahead writes Stuart Broom.

Meanwhile Bob Buckler is preparing his charges for the traditional start of NH racing at the end of September, although a couple who like the firmer ground have been in action in the last week.

The problem that trainers have with summer jump racing is that the number of cards and the types of race are limited, and it is therefore not always easy to find the ideal race

to give the horse the best chance.

Ultimately it means a compromise, and this was the situation with Ethiopia.

A winner twice on the undulating track at Plumpton, he was at a disadvantage on the fast, flat course of Hereford, and whilst he persevered, he finished a distant fourth to Chevy To The Levy in the 3 mile 1 furlong Sunshine Radio Novices' Chase.

Prominent early on he could not maintain the pace and faded in the latter stages.

"It's a quick track, and options are limited at this time of year. However he will come on for the race and will

probably run next weekend once the racing starts again at Plumpton, to which he is much more suited," said Buckler.

Double of Quiz was running his last of four bumpers before going hurdling.

The five-year-old led the race early on in the Almapa Father John Wren Memorial Intermediate Open NH Flat Race at Newton Abbot, but running wide, he chased Havingotascoobydo and Prairie Hero, he was caught on the line by two others to finish fifth.

"The same applies here. He needed the race and will come on for it, and now goes hurdling."

Wildcats sunk again on island

Isle of Wight 50 Weymouth 43

Weymouth Weyline Wildcats suffered a fourth defeat at Small-

brook on the Isle of Wight with a 50-43 defeat, although this was their best showing this season across the Solent.

Heat 1 saw the Wildcats storm away for a 5-1 from Adam McKenna stepping into the team covering for the injured Byron Bekker being backed up by Dan Halsey. The Islanders reserve pair hit back to level the scores in heat 2 with Tom Hill and Dean Felton over Richard Andrews who led until the middle of turn three and four where he locked up allowing the Islanders pair through, and Gary Cotham who started from the 15 meter handicap following a tapes infringement.

Danny Warwick sped away for the home side for heat 3 victory, Tom Brown and Karl Mason packing in to share the points. James Cockle split the Islanders pair of Nick Simmons and Hill in heat 4 with the Islanders taking the advantage, Simmons taking Cockle around the outside of the second turn third lap for the win. There was another shared heat in heat 5, with Warwick again away at the front with McKenna and Halsey packing in the minor places.

Smethills and Starke combined for a 5-1 for the Islanders in heat 6 over Cockle giving them a six point advantage. Mason split Simmons and Felton in heat 7 which saw the Islanders move 8 points up, but Halsey and Cotham after an electric gate, hit back for the Wildcats in heat 8 with a 5-1 over Smethills to half the deficit, and Cockle kept it even by taking the win in heat 9 over Warwick and Johnson.

The Islanders popped in a 5-1 in heat 10 with Starke and Felton after Smethills failed to beat the two minute time allowance. Brown fell on the first turn and was disqualified from the re-run heat while Mason fell on the last bend but remounted for the point.

Two shared heats followed Simmons over Halsey and McKenna in heat 11 and Warwick over Cotham and Brown in heat 12 which was re-run following Felton's disqualification after a first lap, third bend fall. Initially the Wildcats led the race on a 5-1 before Felton hit the deck. The Islanders went 12 points up thanks to a Simmons and Starke 5-1 in heat 13 with Cockle in third after McKenna clipped the second turn fence on the third lap and retired from the race.

Mason came out in black and white for a tactical ride in heat 14 storming away at the front with Cotham behind him and Felton in third to give the Wildcats a chance of a league point going into the last heat just 5 points down. The race was

awarded following Johnsons fall on the third turn of the third lap while in third place. After medical treatment and a visit to hospital Johnson has medial compartments damage on his left knee and will be out of action for at least two weeks.

The Islanders did all they had to grab all the league points with Cockle splitting Simmons who worked his way from third to first and Warwick to give a meeting result 50-43 in this Trophy fixture.

Wildcats chairman Phil Bartlett said after the meeting: "A hugely frustrating meeting by missing out on a league point, also Richard and Tom struggled for points tonight. Tom being excluded after a first bend fall; maybe that should have been called back; and later on when we were on a 5-1 Dean Felton falling saw us get a 3-3 in the re-run."

Friday September 3rd

Hitmen dent Wildcats trophy aspirations

Weymouth 41 Buxton 45

Weymouth Weyline Wildcats slumped to a fourth defeat against Buxton Hitmen who are tipped as title favourites this season, and after last night's showing at the South coast venue there is no reason to doubt this.

Craig Cook started his last meeting with a win for the Hitmen pegging back Dan Halsey and James Cockle for the Wildcats. Four heat advantages followed for the Hitmen with Jason Garritt and Lewis Dallaway joined his partner on the second lap for a 5-1 advantage in heat 4.

Karl Mason managed to split the Hitmen pair of Robert Branford and Jonathan Bethell in heat 3, with Gary Cotham doing likewise in heat 4 over Adam Allott and Garrity, which was run after Garrity laid his machine down to avoid Adam McKenna who fell first turn second lap.

Cook was unstoppable again in heat 5 with the very impressive Branford for another 5-1 putting the Hitmen twelve points clear (9-21) in another re-run heat following Brown's fall on the third turn first lap.

Cockle donned the black and white helmet colour for double points in heat 6 but could do nothing about Allott. With Dan Halsey packing in for third this was the first Wildcats heat advantage of the evening. Bethell and Branford hit straight back

with a 5-1 in heat 7 before Halsey took a tactical ride in heat 8. Again Allott grabbed the win but Cotham packed in for third for the second heat advantage for the home side to put the scores at 20-32 in a closely contested race.

Mason split Allott and Dallaway in heat 9, Brown again a faller on the third turn, while Branford split the Wildcats pair of Cockle and Halsey in heat 10. McKenna back in the Wildcats line up took the chequered flag in heat 11 inflicting Cooks first defeat of the evening with Dallaway in third after Andrews fell forcing another re-run.

Tom Brown had a great tussle with Bethell for four laps in heat 12 and with Cotham in third in what proved to be the last heat advantage for the Wildcats, again another re-run heat after Dallaway fell third turn second lap. Cook took the spoils in heat 13 from Cockle and McKenna in a close battle for first place before Mason split Branford and Dallaway in heat 14. Cockle just headed home Cook and Allott in a very close final race to give a meeting result of 41-53.

BATCHELOR LEAVES TERRAS IN THE SOUP

Late goals down Magpies

CHELMSFORD CITY 2

DORCHESTER TOWN 0

Blue Square South

Attendance: 821

Despite injuries to Neil Martin and James Coutts which forced Dorchester manager Ashley Vickers to change the shape of his side after an hour, it looked as if the Magpies would defy the league positions by taking a point back from high flying Chelmsford City.

Chances in this Blue Square Bet South match were few and far between, and it looked like the Magpies would take a well earned point back to the county town before substitute Sam Higgins struck with nine minutes left. Takumi Ake headed a right wing ball back across the goal for Higgins to apply the finishing touch with a glancing header.

He then rubbed salt in the wound three minutes later with a speculative 25-yard shot from Rob Edmans' knock down that keeper Simon Evans got his hands behind, but somehow the ball squirmed from his grasp and rolled slowly into goal.

With new signing, former Yeovil Town and Bournemouth defender Scott Guyett installed as captain, Chelmsford found chances few and far between as Dorchester put in another sterling effort that belied their position as bottom of the league.

Billy Bricknell went closest early on for the hosts with a shot from the edge of the box that went just wide of the post, whilst Steve Devlin's left foot volley on 27 minutes was too high.

A similar Mark Jermyn effort was closer minutes later in a first-half devoid of clear cut chances.

Dorchester had a narrow escape just after the break when Adam Tann headed Stephen Reed's corner back into the goalmouth but Bricknell's header was cleared clear by a defender.

Soon after Martin pulled up with a hamstring injury and was replaced by Kyle Critchell, before Dorchester suffered a double blow on the hour when Coutts received a kick on the ankle which prevented him carrying on and had to be replaced by Matt Groves.

The injuries forced Vickers to rethink his formation as big central defender Dave Rainford peppered the Magpies goal with three headers.

However the Magpies were defiant and it looked like they would go home with the point they deserved until Higgins struck.

LEAMINGTON 1 WEYMOUTH 0

Zamareto Premier Division

Attendance: 603

A GOAL midway through the first-half from Richard Batchelor was enough to send Weymouth back from the New Windmill Ground pointless, and once again emphasised the need for a couple of old heads to steady Ian Hutchinson's side.

The Terras had plenty of possession but were unable to make it count in front of goal, and with goalscoring chances at a premium this must be a worry for Hutch as his side try to establish themselves in the Zamareto League Premier Division.

These two sides last met 28 years ago

in the old Alliance Premier League, and fortunes have changed for both sides.

There was nothing to choose between them early on, although Batchelor registered his intent with a powerful header from a corner that went wide.

He went one better on 20 minutes with the only goal of the game. Peter Faulds fed Luke Corbett wide on the right, who instead of making for goal cut the ball back into the box where Faulds wrong footed the Terras defence by stepping over it for Batchelor to curl his low shot beyond keeper Tom Manley.

Weymouth slowly fought their way back into the game and Rob Nicholls was unlucky when Michael Tuohy hooked his header off the line, before Ben Gerrings free kick was deflected wide.

The Terras dominated for long periods in the second-half but just couldn't find the right ball in the final third of the pitch, whilst at the other end Craig Wilding's close range shot was blocked, before Manley produced a top class save to claw Faulds' shot, bound for the top corner, away.

Hutch threw on Jules Emati-Emati and Lewis Whyton to bolster his attack as his side strove for an equaliser, and with time running out Brakes keeper Tony Breeden bravely dived at Warren Byerley's feet to smother the ball before he could turn in Matt Lewis's cross.

Bees back to form

SHEPTON MALLET 3 BRIDPORT 5

Toolstation League Division One

Attendance: 94

DESPITE the scoreline this was an easy victory for Bridport who put last week's FA Cup mauling behind them to maintain their winning start to this season's Toolstation Western League First Division.

The Bees swept into a four goal interval lead that was extended on the hour when Ryan Dovell completed his first hat trick for the club.

The hosts scored almost immediately but Bridport coasted to victory despite conceding two goals in the last five minutes that gave an unfair reflection of the game.

Shepton parted company with their manager midweek, and with former Weymouth boss Matt Hale watching from the sidelines, the young hosts started brightly against a tentative Bridport.

The Bees gradually put last week's game behind them and started to play the football that has seen them get off to one of their best starts ever in recent seasons.

They took the lead on 27 minutes through Jamie Symes who showed what an excellent asset he is to the club when he rose to glance home Matt Condliffe's pin point cross.

A minute later Dovell had doubled the lead when he panicked the home keeper as he closed him down as he collected a through ball. In his haste he kicked it against the striker which resulted in the ball rebounding and gently rolling into the net.

Ten minutes from the break he scored again to complete a superb team effort which involved a twenty pass movement. Eventually skipper Darren Lock

supplied a diagonal ball for Dovell to score at the far post with an angled header from 12 yards which the keeper touched but could not stop going in off the upright.

He could have completed a first half hat trick three minutes later but this time the ball came back off the woodwork.

Bridport were really up to speed now but they had a scare soon after when last week's hero Sam Filkins was called upon to make his only real save of the game, getting down well to his right to turn away Tyler Sibbick's well struck shot.

The Bees however were cutting through the home defence like a knife through butter and it was no surprise when Jamie Symes added a fourth three minutes before the break.

Symes superbly beat his man on the halfway line before releasing Chris Clarke down the left. He drove down the wing before pulling the ball back from the by-line to Symes who had continued his run to score from the edge of the box to complete his fourth double if four successive games.

Even uphill after the break, Bridport continued to dominate and Dovell hit the crossbar with a header before he found the net again on the hour, this time he was on hand to convert Darren Watt's thunderous 35-yarder that the keeper touched on to the crossbar.

Shepton grabbed a goal back two minutes later when Ashley McGrane headed home a cross, but it looked to be just a consolation, and manager Trevor Senior rang the changes by bringing on all three substitutes.

The game evened out after this, although Shane Evans was denied a goal in a one-on-one with the keeper who saved with his legs, and it was a bit of a surprise when the hosts pulled another goal back just before normal time when Oliver Higginson headed home a cross at the back stick.

There was more in store when Brad Allen nodded home a right wing in injury time to put a lopsided result to a match that Bridport won with ease.

Fleet footed Harry spares Bees blushes

BRIDPORT RESERVES 3

WINCANTON 1

Toolstation League Division One

A BRACE from Harry Fleet gave Bridport Reserves the boost they required to put them back on the winning trail after three successive defeats in Magna Dorset Premier League.

In a poor first-half which Wincanton just shaded, it looked like the Bees were heading for another loss. However manager Steve Crabb and assistant Mark Lock revitalised their troops with a good tongue lashing at half-time, and they came out in the second half to take all three points.

Both sides appeared unable to put two passes together in the first period, and clear cut chances were few and far between. Roger Cummings had the first chance on five minutes but as synonymous with the rest of the half, with a clear shot on goal he managed to find the body of Dan Golden.

was unlucky when his header from an acute angle was kicked off the line following Dan Jones' corner. Wincanton responded immediately when Jordan Fletcher broke from defence and after exchanging passes with Luke Stephens fed Matt White whose angled shot was turned around his near post by Lee Cleal at full stretch.

A minute later Cleal almost gave gifted the visitors the lead when he raced from goal to kick clear but only succeeded in smashing the ball against Sam Day, Chris Herbst and White as they chased the ball which rebounded behind for a goal kick.

In a bizarre incident akin to Glen Johnson's moment in England's Euro 2012 match the night before, Wincanton's Tom Hatcher stabbed the ball towards his own goal trying to clear Sam Day's free kick, but fortunately keeper Alan Clements was alert enough to keep it out.

Gary Bulman, having been unceremoniously dumped over the touchline by a hard but fair tackle from visiting skipper Gary Chapman, exacted perceived retribution four minutes from the break by scything Chapman down to earn a booking.

Two minutes later, White outpaced a slow turning Ash Clarke before neatly lobbing the advancing Cleal. Unfortunately the ball bounced up and struck the angle of the goalframe before being cleared.

Wincanton took a deserved lead eight minutes after the break when a measured ball from Stephens saw White out-muscle Day before volleying past Cleal.

Herbst was finally booked after being warned just before half-time as Bridport searched for an equaliser.

However the Bees were thrown a lifeline just before the hour when Clements gifted them a goal when his attempted clearance to a loose ball played back to him, went straight to Fleet who had the easiest of tasks to roll the ball into an empty net.

This inspired Bridport and they had a great opportunity to move in front when they were awarded a dubious penalty just four minutes later.

Referee Bob Brittain took several seconds before awarding the kick after Chris Symes went over on the penalty spot. From Mr Brittain's position it might well

have appeared that Jon Boseley had brought him down, but it was clear from other angles that Boseley had fairly won the ball before Symes tripped over his leg.

Justice was done however when Clements who redeemed his earlier error, guessed right, diving to his left to superbly turn Ben Clarke's fierce spot kick away.

Ex-Bee Rich Leach should have put the visitors in front but he missed with a free header from Golden's corner, before Bridport finally went ahead on 77 minutes. Stephens hauled down Adam Stordy just outside of the box, and Bulman cleverly floated the resultant free kick over the wall and just inside Clements left hand post.

Wincanton pushed for an equaliser and White went close with a couple of efforts, but Bridport's defence, in which Day shone, held firm.

The Bees finally made the points safe in added time when the ball was fed to Fleet following a free-kick near the corner flag, and he drove a low shot across and beyond Clements into the corner of the net.

Crabb said after the game: "We didn't get going in the first half and we gave the lads a dressing down at the break to which they responded well."

"We had an excellent second half and reacted well to going a goal down, by coming back as we did."

"I thought the whole back four played well, especially Sam Day who did put his hand up to their goal, and it was three well earned points against a strong side."

Raiders get the better of Bees

BRIDPORT U11s found host's Dorchester Raider's just too strong for them in the final of the Dorchester Youth Football Tournament held on Sunday.

They won five and drew one of their seven round robin matches with Tommy Craven, Jamie Herbert and Nathan Rollett in top form, but after beating both Raider's sides in the group stages, the final proved one game too far for the Bridport side.

Manager Mark Scadding said: "It was a very enjoyable day of football and all the players played with a passion that has been missing in some of the past tournaments we have entered."

'A chance to recharge batteries'

BY STUART BROOM

BRIDPORT have a free week this Saturday and with only two league matches between their big test at Merthyr Town on October 9th, some will see this as a problem for the club after the superb start they have made to the Toolstation Western League First Division.

They currently stand fourth with five wins out of five, one of only three with an unbeaten record.

Oldland Abbotonians (3rd) and Merthyr Town (top) have both played more games than the Bees whilst second placed Hengrove Athletic, like Bridport have five straight wins but have a better goal difference.

Gillingham who are fifth, are the only other side in double figures, three points behind the Bees from five games.

There is anxiety from some corners that September, which also includes an FA Vase game against Buckland Athletic and a Dorset Senior Cup tie at Sturminster Newton will allow the other clubs to play catch up and be a distraction to the Bees. However manager Trevor Senior doesn't

see it that way, and his attitude makes him a 'half full glass' man rather than half empty.

"Okay it could allow some teams to catch up a little on us but we are currently so far ahead of the rest that we are unlikely to get swallowed up by the lower part of the league."

"It was a good way to bounce back last week at Shepton and to give two goals away in the last five minutes did take the shine off the result a bit. Having said that, I would have taken a 2-0 victory before the game; so it didn't spoil my expectations."

"We were also able to give the subs a chance of a decent run-out, and none of them can be blamed for their goals, it is sometimes difficult to keep concentration when you are so far ahead."

"I thought that for a quarter of an hour either side of half-time we played some of

the best football we have this season. We passed the ball around well, created lots of spaces, got in a host of crosses and created so many chances."

Jamie Symes grabbed his fourth two goal haul in consecutive weeks, and with Ryan Dovell scoring his first hat trick for the club to take his season's total to six, it means only one other player, Chris Clarke who got the first goal of the current campaign appear on the scoresheet.

"They are certainly hot at the moment, and people like Dan Wise who usually provides around 20 a season, and Matt Moors who score half a dozen haven't appeared on the list yet, which in a way is good news as I am sure they will start scoring soon."

On the blank week Senior said: "Whilst it is not ideal to have a blank week, it will give a few of the players who are carrying knocks to recover, and for everyone to recharge their batteries and be ready to move on again."
